- - - This paper has enlisted with the government in the cause of America for the period of the war .....

Declares It Not Bight That Freedom Should Lenger Be Withheld.

By FRANCIS BURTON MARRISON, Governor Control of the Ennippiness

My six genre axe perione has governed as the Philippedie to the Philippedie to the Start the Start Has Philippedie to the Philippedie to the Start the Start Has a start the Start Start the Start St A measure are well us to the excessive u d mit gli-meatin.

Gry, seen Harrison that independence be granted.

As to the operation of the stability of government, I wish to may to the Armore people grow my responsibility as the movement that in my granten there exists using a first politic bridge of these stability as the Politic may be a stable granted by the results of them. solved I think should morner the re-Great and Makinter, and may maders went of here two weeks and ofter short or, went to like their manney, a he had been shot from his horse, and convenient elected by the sufficient of conding to evidence brought our at the the order and of railling its interime Son, Art Cravens, his nephew, James thouse obligations.

I halte recommended to Congress provision be made shallar to what is sent to other prominent men of the known as the First smeadment in the county, were written on a typewriter trenty with Culm, which restricts the found at the Goodrich home. nullity of the may republic in herrowthe views of the Flippiness It is my

own view of what would be desirable to secure a feeling of confidence and substaction on the part of all persons who have already invested money in the Philippines or who contemplate do-

ing so in the near future.

But if is not right fluit independence itself should looper be delived.

By temperament, by experience, by thurnelal ablitis, in every way, the 11,000,000 Finishess are unitled to be free from every government except of their own choice. They are injuliagent enough to deally for thurnelves.

I have count the native I liepton of

Oriol to be honest, emount and ne eatheir is my mont! have mer anywhere in the world.

Thron affelian are policy presented Three efficients are noticy presenting 1,000 multi-patitives and forey-two powerses, communically, efficiently and for the most of the catter people. They have a matter congress, between analysis of Sate Princeton, Hartard and offer American universities. One or members are graduates of Sate Tomes and other Politiphics interesting, and in concentrat and adulty they compute farmation with my I know.

This takes harders like Specific use means of the Harmard They present the specific use.

mount of the House of Representatives and Prombine Quenon of the Senate who would inform any office.

#### A MISREPRESENTED RACE,

The l'lipino provide are a much mis-represented race. The frequent puls-lication of polymosyd semi united Min-damo Moves and Borrows has caused a great many Americans to helpoor they are typical of the infunctions of the Parlipinuss. Such is the from the case, however, off Thomson inhala-tiants of the binnels, to the area times and refluenced that will seminate very inventils. Oth that of roles the time. The Polymbia content are very thought and set. A street firms on a The Flipho propts are a much misthemily and had. A street firtheren in Marity, as her me a Politica moments in summercial, is not stains that it almost unknower, so any American that has visited Monte and Walley. vicinal Marries will leadify.

### KONAWA MEN BOUND OVER

Witnesses Tell of Attempts To Him Them To Kill Bagland.

Konawa Former subliers who at pumpted to wrade the draft, were no responsible for the killing of J. M. board and prominent farmet, who was and slows by Presidence found along a read four miles south the neories which is supported by the preliminary trial of John Cravens, the preliminary trial of John Cravens, the preliminary trial of John Cravens, the nephew, James

I now very shall to go an record as he without bond for trial at the next pirations of the Pilipino batton for in-

murder. Experts restified that notes which that in gramma independence ware were found on the dead man and were

ing of foreign governments and also foun Cruvens had attempted to him permits the United States to interface them to tall Rashaul council a superwith the affairs of the new republic in then during the total. These and other Toursions by two witnesses that case conditions of disorder should be witnesses to filled that Cravette had made numerous threats against the true does not come as an expression of life of Rastand.
